Kelly Cronin

Call: 2017

Commercial & Chancery

Prior to commencing pupillage, Kelly undertook the BPTC at BPP Leeds. Whilst at BPP Kelly acted as a student advisor at the BPP Legal Advice Clinic which gave her the chance to work with real clients on a variety of civil and family matters. She was also a finalist in the St Philip's ADR competition.

During her LLB Law degree, Kelly was a finalist in the DAC Beachcroft Mooting Shield competition and also came third in the Herbert Smith Freehills annual advocacy competition. She also obtained 93% in her Advocacy module in her final year.

Alongside her studies, Kelly ran her own audio-transcription business, converting witness evidence from audio and DVD formats into transcripts for solicitors and the courts.

Kelly was the three-time National Blind Tennis champion (B1 category) in 2013, 2014 and 2016, as well as being part of the National B1 Doubles champion team in 2016. She also enjoys travelling, cooking and outdoor activities.

Family Finance

Kelly Cronin has a mixed practice which includes Family Law. During pupillage she spent her first six under the supervision of an experienced family practitioner who specialised in TLATA and finance work. Within her own practice, Kelly has gained experience of all areas of Family Law, but in particular Children Act proceedings (both private and public law) and Family Law Act proceedings, in particular non-molestation and other associated orders. Kelly further completed An Introduction To The Court Of Protection course in November 2017 and has since been developing her practice in this area of work. Her significant Civil practice assists her in Court Of Protection matters, particularly where property and finance issues arise.

During her LLB Law degree, Kelly was a finalist in the DAC Beachcroft Mooting Shield competition and also came third in the Herbert Smith Freehills annual advocacy competition. She also obtained 93% in her Advocacy module in her final year.

Alongside her studies, Kelly ran her own audio-transcription business, converting witness evidence from audio and DVD formats into transcripts for solicitors and the courts.
